Notice of Circuit

You are cordially invited to participate in the United States J/22 Class Association (USJ22CA) District 5, Southwest Championship Circuit Series. The series shall consist of seven regattas held throughout the district. The USJ22CA District 5 and the Fleets therein with their local affiliated racing clubs are the organizers and hosts.

1 Rules

1.1 The series will be governed by the rules as defined in *The Racing Rules of Sailing* (RRS), International J22 Class Association Rules (IJ22CA), the Notice of Circuit, and each regatta's *Notice of Race* and *Sailing Instructions*.

1.2 RRS Appendix V1 and V2 shall apply.

1.3 RRS Rule 87 will be modified to read as follows: The sailing instructions may modify a class rule.

1.4 Class Rule B.1.1 (b), Boat shall have a valid Measurement Certificate to be eligible for racing, will be waived for entry and participation in a regatta; however, a *boat without a valid Measurement Certificate will incur a scoring penalty in the series if not submitted to the Class by October 1, 2024. (See Section 9.4).*

1.5 Class Rule C.2.1 Crew Limitations of the IJ22CA Class Rules shall not apply. There shall be no limit on total crew weight to participate in each regatta or the series.

1.6 Appendix A is modified below in section 9.

1.7 Each regatta's race committee and protest committee shall have authority on all matters within their respective jurisdiction. A committee consisting of USJ22CA Southwest District Fleet Captains of record and chaired by the USJ22CA District 5 Governor of record will resolve all matters not within the jurisdiction of the regatta race committee or protest committee or the RRS (e.g., series scoring).

1.8 The Governor, with the advice of the Fleet Captains, may establish additional guidelines for the management of races, to be made available to the Regatta Chairperson and Principal Race Officers.

2 Eligibility and Entry

2.1 The series is open to all J/22 boats as defined by the IJ22CA. Competitors must meet regatta registration requirements as stated in each event's *Notice of Race* to become participants in the series. Crewmembers, other than helmspersons, are not required to be class members, however, they are encouraged to join in support of the Class by becoming Associate Members.

2.2 A Competitor will have until **October 1, 2024**, to become a J/22 Class Member for series scoring purposes.

3 Fees

There are no separate entry fees for the series. Successful entry, registration and participation in a scheduled series regatta automatically enters a helmsperson or boat (one or the other) into the series.

6 Sailing Instructions

There are no sailing instructions for the series. Sailing instructions will be provided at each regatta as designated in that regatta's *Notice of Race*.

7 Venue

Each regatta venue will be described in its respective *Notice of Race*.

8 Courses

Racing will take place on Windward/Leeward courses or variations thereof. Offset weather marks and leeward gates may be used.

9 Series Scoring

9.1 Four (4) regattas shall be required to make a circuit series and only those regattas for which at least five (5) competitors compete and where two (2) races are completed will be scored in the circuit series.

9.1.1 When four (4) regattas are scored, a boat's overall score will be the total of her circuit regatta scores. (No throw-outs)

9.1.2 When five (5) or six (6) regattas are scored, a boat's overall score will be the total of her circuit regatta scores, excluding her worst score.

9.1.3 When seven (7) or more regattas are scored, a boat's overall score will be the total of her circuit regatta scores, excluding her two (2) worst scores.

9.1.4 The competitor with the lowest series score wins and all others shall be ranked accordingly.

9.2 Each competitor will be awarded series points based upon their overall finish in a completed regatta as follows:

<i>Finishing place</i>	<i>Points</i>
First	1
Second	2
Third	3
Fourth	4
Fifth	5
Sixth	6
Seventh	7
Each place thereafter	Add 1 point

9.3 A competitor that did not enter or did not come to the starting area, with the intent to race, for any of the races in a regatta shall be scored points for the finishing place one (1) more than the number of boats entered in the circuit series.

9.4 When the helmsperson does not meet the class membership requirement or when a boat lacks a measurement certificate as specified in IJ22CA Class Rules the competitor shall be scored points for the finishing place one (1) more than the number of entrants in that regatta; and the scoring of the other competitors for that regatta with a worse finishing position shall be moved up one place. However, if the membership and/or measurement certificate requirements are met prior to October 1, 2024, the competitor's score will be reinstated, and the scores of other boats/competitors will be adjusted to reflect the previously non-qualifying competitor's newscores

9.5 At registration for each regatta in which a competitor competes, an election shall be made whether to score the boat or helmsman as the competitor for purposes of series scoring. Thus, a helmsman may compete on multiple boats throughout the series with individual regatta scores being contributed to the helmsperson regardless of the boat being sailed. Alternately, the individual regatta scores may be attributed to the boat and not to the helmsperson; allowing a boat to compete utilizing multiple helmspersons. Regatta scores shall be attributed to one or the other.

10 Prizes

Awards for the series will be presented to the final overall top three (3) competitors (helmsman or boat). Optional prizes may be awarded at the discretion of the Governor.

11 Disclaimer of Liability

Competitors participate in a regatta and the series entirely at their own risk. See RRS rule 4, *Decision to Race*. The Organizing Authority, Hosts, IJ/22CA, District 5 and its officers will not accept any liability for material damage or personal injury, or death sustained in conjunction with, prior to, during, or after a regatta.
